## ENGLISH READING REQUIREMENT

---

- In addition to other assignments, English students at RCCS are required to read two books each quarter.
- These books must be chosen from the official list posted in the library and available upon request from the members of the English faculty. Abridged editions (shortened by condensing or omitting material) are not accepted.
- To be eligible to earn better than a C in English for each quarter, students must:
  - (1) select and read two books from the official school list,
  - (2) write the two book titles on this form,
  - (3) secure a parent's signature, and
  - (4) bring this signed and completed form back to their English teacher.
- *Regardless of the quality of other work, no grade above C will be recorded for any student who fails to read two or more books each quarter or whose parent fails to verify this reading with a signature.*
