Language Arts Reading Requirement

- In addition to other assignments, students enrolled in a language arts class at Rapid City Christian School are required to read two books each quarter.
- These books must be chosen from the official list posted in the library and on the school's website (www.rcchristian.org). Abridged editions (shortened by condensing or omitting material) are not accepted.
- To be eligible to earn a grade better than a C in language arts for each quarter, students must (1) select and read two books from the official list, (2) write the two book titles and authors on this form, (3) secure a parent's signature, and (4) bring this completed and signed form to their language arts teacher.
- *Regardless of the quality of other work, no grade above C will be recorded for any student who fails to read two or more books each quarter or whose parent fails to verify this reading with a signature.*
